

Having worked with both candidates for several years, I proudly endorse Sean Coppola for El Dorado County Treasurer-Tax Collector.

Sean is an outstanding public servant upon whom voters, property owners, and residents can rely. He has the proven expertise and direct experience necessary to continue leading this crucial county office.

Sean is the ONLY candidate with:

- Public funds investment experience
- Management experience
- Service assisting over 100,000 property owners
- Knowledge of complex statutory laws related to the office
- Property tax collection experience
- Certified Treasury Professional (CTP) certification

Why electing the best qualified candidate matters:

- County treasury safeguards over \$1.1 Billion of your taxpayer dollars
- Schools/County are required by State law to use the County treasury as their bank
- Fire districts/local governments commonly use the County treasury as their bank
- Treasury funds are strategically invested to provide additional revenue
- Treasury liquidity is carefully balanced to ensure cash is available to pay teacher/firefighter/County/local government salaries and bills

Please join me in electing Sean to continue the effective and high-quality administration of this vital office.

Sally Zutter, CPA

- 37 year resident of El Dorado County
- 35 year El Dorado County employee
 - 5 years Treasurer-Tax Collector office as Treasury 'Accountant/Auditor'
 - 30 years Auditor-Controller office as 'Property Tax Manager'
